ABOUT ME

Aspiring IT professional with a focus on web design and problem-solving. Eager to contribute to innovative projects and apply my full stack development skills to create user-centric solutions. Strong foundation in programming and experience with real-time industrial training in both Java Full Stack (Wipro) and MERN Stack (Ardent).

EDUCATION

Qualification	Institution	Board/University	Marks/SGPA	Passing Year
Bachelor of Technology in IT	Budge Budge Institute of Technology, Kolkata	MAKAUT	SGPA: 8.64 (Till Now)	2026
Higher Secondary (10+2)	Aiho High School (H.S.), Aiho	WBCHSE	80%	2021
Secondary(10th)	R.N. Roy V. Girls High School (H.S.), Bulbulchandi	WBBSE	81%	2019

PROJECTS

Chat Application – TalkMate (MERN Stack)
- Built a chat application Implemented message storage and retrieval using MongoDB Atlas.
- Designed an interactive frontend with React.js and developed backend APIs with Node.js & Express.js.
- Enabled real-time-like experience using database operations and API calls for message handling.

Word to PDF Converter (MERN Stack)
- Developed a full-stack web application to convert Word files into PDF format.
- Implemented file upload, processing, and download functionality using Node.js and Express.js.
- Designed a clean, responsive frontend with React.js for user interaction.
- Stored and managed file metadata in MongoDB for efficient tracking.
- Ensured robust error handling and validation to improve file processing reliability.

Library Management System (MERN Stack)
- Developed a login system for both admin and user, with role-based dashboards.
- Implemented book management (add, update, delete, search) and reporting modules.
- Built the frontend using React.js, backend APIs with Node.js & Express.js, and database with MongoDB.
- Ensured secure authentication and efficient data handling with proper validation.

Personal Portfolio (React, CSS)
- Designed and developed a personal portfolio website to showcase skills, projects, and achievements.
- Implemented responsive UI using React.js and custom CSS for a clean, modern look.
- Integrated sections like About, Skills, Projects, Achievements, and Contact Form.

SKILLS

- **Languages & Frameworks:** HTML, CSS, JavaScript,C, Java, EJS, Bootstrap, MySQL, JDBC, MongoDB, ReactJS, ExpressJS, NodeJS.
- **Tools:** Git, GitHub, VS Code, Postman, MongoDB Atlas.
- **Soft Skills:** Design Patterns, Problem Solving, Team Collaboration
- **Core Subjects:** OOP, Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks.

INTERESTS

Website Designing, Learning New Technologies, Solving Real-Life Problems, Sports, Crafting, Drawing

LANGUAGES KNOWN

English, Hindi, Bengali

EXPERIENCE

WIPRO (industrial training)- Java Full Stack Development

ARDENT COMPUTECH(industrial training) - MERN Full Stack Development
Worked extensively on MongoDB, Express.js, React.js, and Node.js

ACHIEVEMENTS

- GATE Qualified (2025)
- Solved 100+ problems on GeeksforGeeks & LeetCode
- Secured 26th Rank in GeeksforGeeks
- Participated in 6-month Google Cloud Program
- Certifications:
* CodeChef (Java)
* Great Learning (MySQL)
* HackerRank (Java Programming)
